FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

April 14, 2004

William Lucy, Treasurer  
American Federation of State County &  
Municipal Employees - P E O P L E  
1625 I Street, NW  
Washington, DC 20036

**Response Due Date:**  
**May 14, 2004**

Identification Number: C00011114

Reference: February Monthly Report (1/1/04-1/31/04)

Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. An adequate response must be received at the Commission by the response date noted above. An itemization of the information needed follows:

-Schedule C of your report discloses an outstanding loan from a lending institution with an interest rate disclosed as "Base Rate". However, your report does not disclose any interest payments or carry the interest due on this loan as a debt. Please note that outstanding accrued interest on loans must be reported on Schedule D, while interest payments made on loans must be reported as operating expenditures on Schedule B supporting Line 21(b) of the Detailed Summary Page. 11 CFR §104.3(b) and (d)

Please be advised that non-payment of interest on a loan may be considered a prohibited contribution by the lending institution. Please amend your report to clarify the current status of the interest payment(s).

-Schedule E discloses independent expenditures on behalf of federal candidates. Schedule B of your report discloses what appear to be in-kind contributions on behalf of some of these same candidates. Under 2 U.S.C. §431(17), an "independent expenditure" is defined as:

... an expenditure by a person expressly advocating the election or defeat of a clearly identified candidate; and that is not made in concert or cooperation with or at the request or

American Federation of State County Municipal Employees-People  
Page 2

suggestion of such candidate, the candidate's authorized committee, or their agents, or a political party committee or its agents.

The coordination involved in making an in-kind contribution to a candidate may preclude your committee from making an independent expenditure in support of the same candidate. Please amend your reports to disclose the aforementioned transactions as in-kind contributions (Schedule B supporting Line 23 of the Detailed Summary Page), or provide additional clarifying information concerning the independent expenditures made on behalf of Howard Dean for President.

If the reclassification of these expenditures as in-kind contributions results in excessive contributions, the Commission recommends that you notify the recipient(s) and request a refund of the amount in excess of \$5,000 per election. Please inform the Commission immediately in writing and provide a photocopy of your refund request(s) sent to the recipient(s). In addition, any refund should be disclosed on Schedule A supporting Line 16 of your next report.

-Schedule E of your report indicates that your committee may have failed to file and timely file one or more of the required 24 hour notices regarding "last minute" independent expenditures (see attached). A political committee must file a 24 hour report with the Federal Election Commission as specified in 11 CFR §104.4(a), within 24 hours of any independent expenditures of \$1,000 or more with respect to a given election, made between two and twenty days before an election. The notice must be received by the Commission by 11:59 p.m. on the day following the date on which independent expenditures aggregate \$1,000 or more. These expenditures must then be fully itemized on the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR §104.3(b)

-Schedule E of your report indicates that your committee may have failed to file and timely file one or more of the required 48 hour notices for independent expenditures (see attached). A political committee must file a 48 hour report with the Federal Election Commission as specified in 11 CFR §104.4(b), within 48 hours of any independent expenditures aggregating \$10,000 or more with respect to a given election, made any time during the calendar year up to and including the 20<sup>th</sup> day before an election. The notice must be received by the Commission by 11:59 p.m. on the second day following the date on which independent expenditures

aggregate \$10,000 or more. These expenditures must then be fully itemized on the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR § 104.3(b)

-The independent expenditure schedule (Schedule E) should disclose the following information: the name and mailing address of the payee, the purpose of the expenditure, the date of payment, the amount of payment, the name and office sought, state and district (if applicable) of the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer. Please amend Schedule E by providing the complete mailing address of each payee. 11 CFR § 104.3(b)(3)(vii)

-The 48 hour notice(s) (Schedule E) filed on 1/7/04, disclosing independent expenditures made on behalf of Howard Dean, should accurately disclose the office sought, state and district (if applicable) of the federal candidate. Please amend the 48 hour notice(s) by providing only one state for the federal candidate being supported.

-The 24 and 48 hour notices (Schedule E) filed on 1/7/04, 1/9/04, 1/10/04, 1/12/04 and 1/13/04, disclosing independent expenditures made on behalf of Howard Dean, should disclose the calendar year-to-date, per election, for office sought total. Please amend Schedule E by providing the omitted information.

-The loan schedule (Schedule C) should disclose the following information: the name and mailing address of the person making or receiving the loan, original amount, cumulative payment, outstanding balance, date incurred, date due, and interest rate for all loans that your committee has received. Please amend Schedule C by providing a specific interest rate for your loan or further clarify the term "base rate". 11 CFR §§ 104.3(d) and 104.11(a)

-For future reporting, please be advised that only contributions to federal candidates and political committees should be itemized on a separate Schedule B supporting Line 23 of the Detailed Summary Page. Contributions to non-federal candidates and committees should be itemized on Schedule B supporting Line 29.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated.**

Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1136.

Sincerely,
